Jubilee, Pope Francis and...

Jubilee 2025: a Special year of Forgiveness

The next Jubilee will take place in 2025, and devotees from all over the world are enthusiastic about it. It will be the second Jubilee with Pope Francis, following the extraordinary one in 2015.

The Jubilee is a special year of forgiveness because the Catholic Church offers the opportunity for devotees to seek plenary indulgence.

The first Argentine Pope in history

The Jubilee of the year 2025 will be the second with Pope Francis. Pope Francis was elected in year 2013, after the resignation of Pope Benedict XVI. He is the 266^o Pope of the Catholic Church and the first Argentinian one in history. During the extraordinary Jubilee of the year 2015, he highlighted Jesus Christ's message about mercy.

According to him, the point is not to never fail, but to be able to recognise one's mistake and recover from it. In this, Christian morality represents an authentic revolution.

...the Holy Doors

A photograph of St. Peter's Basilica in Rome, Italy, taken at dusk. The building's iconic colonnade of Corinthian columns is illuminated from below, creating a warm glow against the twilight sky. The roofline is adorned with a series of statues. In the foreground, the cobblestone plaza is visible, with a small white structure and a fountain on the right.
